description

A beautifully presented town house with origins dating back to the 16th century. The property has been completely renovated to exceptional standards, creating an impressive and stylish family home. This renovation has been thoughtful and sympathetic enhancing the period features throughout including exposed beams, stonework and flagstones floors. The sash windows have been replaced and fitted with secondary glazing and shutters. Our vendors have an exceptional eye for detail and the presentation pays a nice nod its history whilst embracing many contemporary ideas.

Crown Cottage has great symmetry and high ceilings throughout. It provides wonderful entertaining space on the ground floor with front and rear entrance halls, superb dining room with wood burner opening onto the bespoke 'townhouse' kitchen, snug with wood burner and a formal reception room with further dining space, wood burner, and lovely inclusive views over the garden.

There is also a downstairs cloakroom, utility room and cellar. The spacious first-floor landing provides a large central study area, to the front of the house there are two double bedrooms and a family bathroom, a further double bedroom and a principal bedroom suite with ensuite shower and dressing area. Bespoke cabinetry and storage throughout the house is plentiful, and there is also a useful space at the side of the house for wood and bin store.

outside

The rear gardens extend to approximately 200ft and have been beautifully landscaped, providing a large stone paved terrace, formal lawns with Hornbeam and Silver Birch trees, large herbaceous flower borders, orchard with wildflower meadow and this is all completed with irrigation system and architectural lighting. A recent addition is a large garden studio/ permanent dwelling space situated privately at the end of the garden – ideal for an office/gym/granny annexe. There is a single garage in the lane opposite the property.
